HAPPY HOLIDAYS NEWSLETTER

Dear Angel Cat Friends and Adoptive Parents,

As we come to the end of our third year as a rescue group, we want to thank all of our supporters this past year, because without all of you, we would not have been able to help so many cats and their owners.

We've seen the adoptions of many of our cats, **Meowsy, Meadow, Danny, Marnie, Maisy and Patsy** (to name a few), though many are still waiting for a forever home. Kittens have become young cats, and with all of your help this past year, they are waiting in safe and secure foster homes. We keep them up to date with all their vaccinations so that they are ready to go as soon as that wonderful new mom or dad comes along. The beauty of being a "no kill" shelter is that they stay with us until their forever home is found, no matter how long that may be.

We still have our two "special" kitties, **Megan and Sugar**, who each see with only one eye, but we are confident that someday they will get their own mom or dad who won't care about that. It sure doesn't slow either one of them down one bit! They are both healthy happy playful little girls at 18 months old. We partner with Petco in Westminster and Petco in Santa Ana showing cats for adoption – you can find us at one store or the other most Saturdays. Please stop and visit us if you're in the area and if you know of someone looking for a sweet kitty companion, please check out our website angelcatpetadoptions.org. It's full of great and interesting information.

Sadly, so many of the calls we have gotten this past year are requests to take in adult cats who have been family pets for all their lives because their parents have lost income and they feel that they can no longer afford to care for and feed them. We have been assisting some of those families by sponsoring vet care and supplying them with food and litter so that they are able to keep their kitty until things turn around for them. Sometimes all they need is a "leg up" for a little while. We feel very fortunate to have been able to help some families in this way to keep their beloved furkids.

Angel Cat Pet Adoptions is a 501(c)(3) non profit charity and we do not receive any government subsidy. We operate solely on donations from wonderful folks like you (that are always tax-deductible) and our volunteers and foster parents do not receive pay for the awesome work they do. All money we receive goes directly to the care of the cats. With your support, no matter how small, we absolutely make a difference in the lives of these precious fur kids and there are so many more out there who need our help.

We wish you a Wonderful, Happy and Safe Holiday Season and look forward to a Bright New Year in 2012.

Sincerely, **ANGEL CAT PET ADOPTIONS**
